The existing drainage pattern on

a Lot shall not be changed significantly, and no change to the drainage pattern on other lands within the Property shall be caused by an Owner, which varies from the Grading Plans as these plans are amended by the Developer from time to time, subject to City approval. Minor changes from the Grading Plans, where these changes do not violate the purpose, spirit and intent of the Grading Plans, shall be reviewed and may if, for good and sufficient reasons, be approved by the ACC; in all other cases, the approved grades shown on the Grading Plans shall be strictly adhered to. Lot owners shall be held responsible for any violation that will cause additional expense to the Developer or the City, or any other Owner to correct any grading problems. To the extent that the City performs any drainage maintenance activities, the Owner of Lots shall be liable for any costs which may be incurred by the City, which the City may recover from such Owner as a special assessment or special charge under § 66.60 (or successor or similar provisions) of the Wisconsin Statutes or otherwise according to law or this Declaration.

The determination of when construction of a dwelling or other incidental structure has been completed shall be made in the sole discretion and binding judgment of the ACC. Paving of driveways, construction of walkways, seed and mulch shall be completed within the time restrictions set forth by City ordinance and/or other written agreement with the City.

3.12 Easements/Dedications/Obligations.

- (a) Easements-General. Certain Easements affecting the Property are recorded on the Final Plat for the Subdivision in the office of the Register of Deeds of Kenosha County, Wisconsin. Each Lot shall be subject to any easement, dedication, restrictive covenant, or any other restriction granted (and/or retained) by the Developer on the Final Plat or hereafter to be granted (and/or retained) by the Developer or its successors and assigns to the City, or to the Association, or public or semi-public utility companies, for the erection, construction and

(b) Storm Water Detention Area Easements. Permanent easements for maintenance of the storm water detention basin and appurtenances areas situated in Outlot 2 and the Storm Water Drainage Easements located on Outlot 2 and easements located on Lots 2, 11, 16 through 20, 24,25,26,27, 33, 35, 36, 37, and 38 as shown on the recorded Final Plat are hereby granted in favor of the Association and the City, which has full and complete rights and responsibility for maintenance of the same. In the event that work or repairs are needed within Outlot 2 and the Lots as stated herein the Association and then the City are hereby granted full and complete rights of ingress and egress in order to accomplish the maintenance and work required. The Association shall restore the land to its condition prior to any such repairs or work.

The minimum front or street setback, shore yard, side yard, rear yard and on other such areas ("Setback Areas") are and shall be reserved for the use of nonexclusive easements for utilities service, in whole or in part, for the Property or any Lot located therein. By accepting title to a Lot and if not delineated on the Final Plat, each Owner hereby agrees that such Setback Areas may be subjected to easements for utility lines for electricity, sewer, water, gas, telephone, cable television, or other similar utilities. Within fifteen (15) days of written request therefore by the Developer, each Owner, if necessary and if not previously obtained, shall grant specific easements (and cause their lenders to agree to a nondisturbance of such easements) upon such terms as may reasonably be requested. The requirements under City ordinances are not stated herein and, therefore, it shall be the sole responsibility of every Owner to understand and insure compliance with City ordinances as the same may be amended from time to time. In the event of a conflict between the provisions of this Declaration and the City ordinances and the City ordinance is more strict than the provision contained herein, the City ordinance shall control. Failure to mention a requirement, with respect to any Lot or other necessary approval in this Declaration, shall not imply that no such requirement exists with the City and shall not constitute a waiver of such City requirement and/or approval.

3.14 Landscape Requirements. Landscape planting for any dwelling shall be completed as per City Ordinances except as set forth herein, and shall be properly maintained thereafter. Developer, at its expense, shall install all street trees required by the City. In the event the landscaping, including the street trees, is not maintained properly, in the opinion of the ACC, upon notification, the Owner of the Lot shall take adequate measures to properly maintain the landscaping. Refusal to comply with the maintenance requirement shall be considered a violation of this Section 3.14 of this Declaration. No Owner (and no landscaper working under the authority of an Owner) shall cause ditch grades adjoining the Owner's Lot to be changed from those grades set forth in the approved Grading Plans. Lot Owners shall be held responsible for any violation that will cause additional expense to the Developer or the City or to any other Owner to correct any drainage grades, which have been altered, by an Owner or a landscaper working under the authority of an Owner. To the extent that the City performs any maintenance activities resulting from an unauthorized change in the ditch grade, the Owner of the adjoining Lot shall be liable for any costs which may be incurred by the City, which the City may recover from such Owner as a special assessment or special charge under § 66.60 (or successor or similar provisions) of the Wisconsin Statutes or otherwise according to law or this Declaration.

Every Member of the Association shall have one (1) vote in the Association for each Lot owned by the Member. When more than one (1) person or entity holds an interest in a Lot, the vote shall be exercised, as they themselves shall determine. So long as the Developer, or its successors and assigns shall own one (1) or more Lots, the authority and functions of the Board of Directors shall remain in and be exercised solely by the Developer or its successors and assigns. - 5.2 Damage or Destruction of Areas by Owner. In the event any area to which the Association is granted an easement or any portion of the water, drainage, or sanitary sewer systems servicing the Property is damaged or destroyed by an Owner or any of Owner's guests, tenants, licensees, agents, or members of the Owner's family, such Owner does hereby authorize the Association or the City to repair said damaged areas; the Association or the City shall repair said damaged area in a good workmanlike manner in conformance with the original plans and specifications of the area involved, or as the area may have been modified or altered subsequently by the Association. The amount

necessary for such repairs, together with ten percent (10%) for overhead, shall be a special assessment upon the Lot of the Owner and shall accrue interest at the annual rate of eighteen percent (18%) unless paid in full within fifteen (15) days after notice to pay. Any such damage not caused by an Owner shall be the responsibility of the Association.

5.3

Right to Enter and Maintain. The Developer and the Association are hereby granted an easement and, consequently, shall have the right to enter upon any Lot, with reasonable advance notice to the Owner, for the purpose of repairing, maintaining, renewing, or reconstructing any utilities, facilities, detentions areas, drainage systems, sewer and water systems, impoundments or other improvements which benefit other Lots and/or the Subdivision as a whole, in addition to benefiting such Lot. All such assessments, together with interest thereon and costs of collection thereof, including attorney's fees, shall be (a) a charge on the land and a continuing lien upon the Lot against which such assessment is made and (b) the personal obligation of the person who was the Owner of such property at the time of the assessment. Every Lot Owner, who has purchased a Lot from the Developer or any other Owner, shall be subject to the entire amount of the assessment due and shall pay the same or prorated amount in the year of closing to the Association.

6.2

Initial Payments. At the time of closing each initial sale of a Lot from the Developer, the buyer shall pay a "Reserve Fund Deposit" to the Association in the amount of One Hundred Dollars (\$100.00) as a start-up fee. In addition, disclosure is made that the initial annual fee for the Homeowner's Association shall be One Hundred Dollars (\$100.00), which shall be pro-rated based on the date of closing. Thereafter, annual assessments shall be due and payable in advance on the 1st day of January of each year. The Board of Directors of the Association shall, at least annually, prepare a budget and determine the amount of expenses for the forthcoming year.

6.3

Annual General Assessment.

- (a) Purpose of Assessment. The annual general assessment levied by the Association each year shall be used exclusively to promote the health, safety and welfare of

the Owners and, in particular, for the improvement, construction, maintenance, policing, preservation and operation of the wetland, detention basin and drainage easement areas, in accordance with the requirements set forth herein and those obligations and restrictive covenants set forth on the Final Plat including, but not limited to, the cost of labor, equipment, materials, insurance, management and supervision thereof and fees paid for auditing the books of the Association and for necessary legal and accounting services to the Board of Directors.

- (b) Determination of the Assessment. The Board of Directors shall prepare and annually submit to the Members a budget of expenses for the ensuing year for payment of all costs contemplated within the purposes of the annual general assessment described in Section 6.3. Upon adoption and approval of the annual budget by a majority of the Members, the Board shall determine the assessment by dividing the amount of the budget among all fully improved Lots equally. The rate of assessment shall not be limited by the amounts set forth in Wisconsin Statutes, § 779.70.
 - (c) Method of Assessment. The assessment for each Lot shall be levied at the same time once in each year. The Board shall declare the assessments so levied due and payable at any time after thirty (30) days from the date of such levy (with an option for payment in monthly installments if approved by the Board), and the Secretary or other officer shall notify the Owner of every Lot so assessed of the action taken by the Board, the amount of the assessment of each Lot owned by such Owner and the date such assessment becomes due and payable. Such notice shall be mailed to the Owner at last known post office address by United States mail, postage prepaid, or to the address to which the Owner's property tax bills are sent.
 - (d) Date of Commencement of Annual General Assessments. Annual general assessments shall commence on the date as determined by Developer in its sole and binding discretion.
- 6.4 Special Assessment for Capital Improvement and Repairs to Drainage System. In addition to the annual general assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year and not more than the next two succeeding years for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of capital improvements, including fixtures and personal property related thereto, and extraordinary expenses incurred in maintenance and operation of the surface water drainage system in the Subdivision. Special assessments may also be levied to defray the costs of replacing or repairing all pipes, drains, grates and other appurtenances (not otherwise owned by the City) located within any water drainage easement area.
- 6.5 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinated to the lien of any first mortgage on the Lot.
- 6.6 Joint and Several Liability of Grantor and Grantee. Upon any sale, transfer, or conveyance, the grantee of a Lot shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Article 6 up to the time of

the conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessments and any such grantee shall not be liable for, nor shall the Lot be conveyed subject to a lien for, any unpaid assessment against the grantor pursuant to this Article in excess of the amount therein set forth. If the Association does not provide such a statement within fifteen (15) business days after the grantee's request, it is barred from claiming under any lien, which was not filed prior to the request for the statement against the grantee.

- 6.7 Interest on Unpaid Assessment. Any assessment under this Article VI which is not paid when due shall thereafter, until paid in full, bear interest at the rate of eighteen percent (18%) per annum. In addition to the interest charges, a late charge of up to Fifty Dollars (\$50.00) per day may be imposed by the Board of Directors against an Owner if any balance in common expenses remain unpaid more than thirty (30) days after payment is due.
- 6.8 Effect of Nonpayment of Assessments: Remedies of the Association. No Owner may waive or otherwise escape liability for assessments by abandonment of the Owner's Lot. If the Association has provided for collection of assessments in installments, upon default on the payment of any one or more installments, the Association may accelerate payment and declare the entire balance of said assessment due and payable in full. If the assessment levied against any Lot remains unpaid for a period of sixty (60) days from the date of levy, then the Board may, in its discretion, file a claim for maintenance lien against such Lot in the office of the Clerk of Circuit Court for Kenosha County within six (6) months from the date of levy. Such claim for lien shall contain a reference to the resolution authorizing such levy and date thereof, the name of the claimant or assignee, the name of the person against whom the assessment is levied, a description of the Lot and a statement of the amount claimed and shall otherwise comply in form with the provisions of Wisconsin Statutes § 779.70. Foreclosure of such lien shall be in the manner provided for foreclosure of maintenance liens in said statute or any successor statute.
- 6.9 Reduction of Assessments. Notwithstanding anything contained herein to the contrary, the Developer and/or Association shall not have the power to discontinue the collection of assessments and charges or reduce such assessments or charges to a level which, in the opinion of the Developer, would impair the ability of the Developer, Association, or the Owner to perform the functions as set forth herein and in the Final Plat.
- ARTICLE VII
ENFORCEMENT, TERMINATION, MODIFICATION
- 7.1 Right to Enforce. This Declaration and the covenants contained herein and on the Final Plat are enforceable only by the Developer and/or the Association and/or the City and/or an Owner or such other person or organization specifically designated by the Developer, in a document recorded in the office of the Kenosha County Register of Deeds, as its assignee for the purpose thereof.
- 7.2 Manner of Enforcement. This Declaration and the covenants contained herein and on the Final Plat shall be enforceable in any manner provided by law or in equity, including but not limited to one or more of the following:

- (a) Injunctive relief;
- (b) Action for specific performance;
- (c) Action for money damages;
- (d) Performance of these covenants by the Developer and/or the Association on behalf of any party in default thereof for more than thirty (30) days after receipt by such party of notice from the Developer or the Association describing such default. In such event, the defaulting Owner shall be liable to the Developer, or the Association, for the actual costs (plus ten percent [10%] for overhead) related to or in connection with performing these covenants.

7.3 Reimbursement. Any amounts expended by the Developer, the Association and/or an Owner in enforcing these covenants, including reasonable attorney fees, and any amounts expended in curing a default on behalf of any Owner or other party, shall constitute a lien against the Lot, Outlot and/or the Property until such amounts are reimbursed to the payer, with such lien to be in the nature of a mortgage and enforceable pursuant to the procedures for foreclosure of a mortgage.

7.4 Failure to Enforce Not a Waiver. Failure of the Developer and other party to enforce any provision contained herein shall not be deemed a waiver of the right or power and/or shall not be deemed to be a waiver of the right to enforce these covenants in the event of a subsequent default.

7.5 Right to Enter. The Developer, the Association, and/or the City shall have the right to enter upon any building site or other Lot within the Property for the purpose of ascertaining whether the Owner of the Lot is complying with these covenants.

7.6 Dedications/Restrictive Covenants/Easements. Each and every Owner of a Lot shall be subject to and bound by the easements, dedications and restrictive covenants as are set forth in this Declaration and on the Final Plat.

7.7 Governing Law. This Declaration shall be construed and enforced in accordance with the internal laws of the State of Wisconsin.

ARTICLE VIII GENERAL PROVISIONS

8.1 Terms and Amendment. Unless amended as herein provided, this Declaration shall run with the Property, excluding Lots 12 through 15, and be binding upon all persons claiming under the Developer and shall be for the benefit of and be enforceable solely by the Association for a period of fifty (50) years from the date this Declaration is recorded and shall automatically be extended for successive periods of fifty (50) years unless an instrument signed by the Owners of two-thirds (2/3) of the Lots has been recorded, agreeing to terminate this Declaration in whole or in part. For the first fifteen (15) years following the date this Declaration is recorded, this Declaration may be amended at any time by written declaration, executed in such manner as to be recordable, setting forth

such annulment, waiver, change, modification, or amendment executed: (a) solely by the Developer until such time as Developer conveys all Lots to other Owners (other than by multiple sale of Lots to a successor developer), and thereafter (b) by owners of seventy-five percent (75%) of the Lots (provided the written consent of the Developer or its successors and assigns is first obtained, so long as the Developer, or its successors and assigns shall own any Lots). Subsequent to such fifteen (15) year period, this Declaration may be amended by written declaration executed by at least seventy-five percent (75%) of the Lots subject to this Declaration provided the prior written approval of the City is obtained. Such written declaration shall become effective upon recording in the office of the Register of Deeds of Kenosha County, Wisconsin. All amendments shall be consistent with the general plan of development embodied in this Declaration.

8.2 Notices. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Kenosha County Treasurer at the time of such mailings, or to the address to which the Owner's property tax bills are sent.

8.3 Severability. Invalidation of any of the provisions of this Declaration, whether by court order or otherwise, shall in no way affect the validity or the remaining provisions, which shall remain in, full force and effect. Said invalid or illegal provision will be modified to reflect, as close as possible, the original intent of the former invalid or illegal provision, but in such a manner so as to make said provision valid and legal.
